Biscayne Designs

RETAIL PRICE LIST

MAY 2017

800-397-5397

WWW.OLDBISCAYNEDESIGNS.COM

Terms & Conditions

Finishes: Every Old Biscayne Design is finished by hand. Variations in woodgrain, application, and color are to be expected. Please submit the wood or metal finish sample if you require a specific finish.

Trim or multiple color applications on any design will carry an upcharge. Please call the factory for the amount of the upcharge.

Any upholstered design may be covered with COM, COL, or our leather or faux leather. Please specify brass tacks, pewter tacks, or welting when your order is placed. If neither is specified, Old Biscayne will use our discretion as to which application best fits the design.

Design Alternatives: Our factory reserves the right to make design alterations for production purposes without prior notice.

Upholstery: All Customers Own Material (COM) must be inspected before delivery to our factory. Our professional upholstery department will use their discretion in the application of fabric unless otherwise specified.

Warranty: OBD warrants that goods will be free from defects in materials or workmanship for a period of one (1) year. The seller's sole obligation shall be to repair or replace at its option. All transportation and handling charges to and from the factory are the responsibility of the customer.

Charge Backs: Charge backs are not accepted. Accounts that deduct unauthorized charge backs will be changed to prepaid terms without notice.

Returns: All returns must be pre-authorized in writing by the factory. Freight and handling charges are the responsibility of the customer.

Damage Claims: All damage claims are the responsibility of the customer. Goods are received by the carrier in excellent condition, and are well packed using standard approved methods. Therefore, the carrier is responsible for damaged and lost merchandise.

*Each Old Biscayne finish is the final signature
of a unique original design.*
